

## Guarantees and Warranties

Genuine parts always come with extended warranties. Mitsubishi genuine parts come with a 6-month or 10,000 km (whichever comes first) warranty, unlike non-genuine parts.

It is important that you always bring your vehicle to Cycle & Carriage Service Centre for servicing at recommended service intervals – every 10,000 km or 6 months, whichever is earlier. We use Shell Helix Ultra 5W-40 fully synthetic engine oil with PurePlus Technology.

With complete service history records, this also gives you peace of mind that your warranty will never be compromised.
