Printed in October 2018

Guarantees and Warranties

All Mitsubishi genuine parts replacement and repair come with a 2-year or 40,000 km warranty, whichever comes first. Genuine parts always come with warranty, unlike non-genuine parts.

It is strongly advised that you always bring your vehicle to qualified specialist workshops such as Cycle & Carriage for servicing at recommended service intervals - every 6 months or 10,000 km, whichever comes first. We use Shell Helix Ultra 5W-40 fully synthetic engine oil with PurePlus Technology.

With complete service history records, this also gives you peace of mind that Cycle & Carriage 10-year engine warranty will never be compromised.
