WHAT TO DO DURING AN ACCIDENT?

IN CASE OF ACCIDENT, YOU SHOULD:

AVOID ALL UNAUTHORISED TOW TRUCK OPERATORS OR REPAIR WORKSHOPS.

1.

Exchange particulars of involved parties including:

- Name
- NRIC/FIN
- Telephone Number
- Address
- Insurer

Take note of the license plate of other damaged vehicle(s)

3.

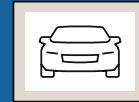

Call your insurer's hotline for a tow truck or advice. If we are your insurer's authorised workshop, or if you are claiming against the other party, call our 24/7 Roadside Assistance at 6475 9500

2.

Take pictures at the scene and submit them at your authorised accident reporting centre.

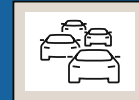

WHAT TO PHOTOGRAPH:

Your vehicle with licence plate

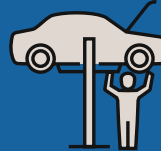

Scene of accident & surrounding areas

Other damaged vehicle(s) especially those in direct contact, with their licence plates

4.

Report and bring your accident vehicle (whether damaged or not) to the approved reporting centre or authorised workshop within 24 hours or the next working day.

BENEFITS OF REPORTING:

Enjoy hassle-free, certified repair services as provided under the Motor Claims Framework and avoid potentially higher costs from exaggerated claims.

REMEMBER: All accidents must be reported to your insurer with your accident vehicle within 24 hours or the next working day, even if there is no visible damage and irrespective of whether you are claiming from any insurers or third parties.

SHOULD YOU FAIL TO REPORT THE ACCIDENT:

You may find yourself in a position of having your claims prejudiced or declined later by insurers. Failure to comply with the new policy condition will be seen as being "in breach" of the policy terms and conditions, i.e. there will be no liability on the part of the insurer. Any non-compliance of this policy condition will result in a loss of your No Claims Discount upon renewal of your policy.

DOCUMENTS TO BRING FOR INSURANCE CLAIM:

- Identity card
- Valid driving licence
- Company stamp
(for company-registered vehicle)
- Insurance certificate/cover note
- Sales agreement
- Police report (if applicable)
