## Our Warranty

All Mitsubishi genuine parts replacement and repair come with a 2-year or 40,000km warranty, whichever comes first.

It is strongly advised that you always bring your vehicle to qualified specialist workshops such as Cycle & Carriage for servicing in accordance with the manufacturer's recommended scheduled service interval of every 6 months or 10,000km, whichever comes first.

We use Shell Helix Ultra 5W-40 fully synthetic engine oil with PurePlus Technology, which delivers the ultimate cleansing effect and maximum performance in maintaining fuel economy.

With complete service history records, enjoy peace of mind as your vehicle warranty will never be compromised.

The 2-year Diamond Care Service Plan is designed to offer you peace of mind with savings in tow. It comes with 4 comprehensive servicing visits (2 x Lubrication, 1 x Maintenance and 1 x Major) for every 6 months or 10,000 km interval, whichever comes first. Using only the latest recommended diagnostic tools and Mitsubishi Grade A genuine parts to ensure quality maintenance of your Mitsubishi. This is not only important for a smoother drive, but also to enhance your vehicle's resale value.

We have enhanced the plan so that you can enjoy an **extra 10% off**, on top of the usual 20% servicing discount, if your vehicle age is 4 years and above.

This is to reward you with more savings as you drive longer with Mitsubishi at Cycle & Carriage.
